

# Attention FDA

0415 '00 MAY -4 AM:13

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*If the Government wants to tell us what to do they should pay for our exam and if we have no way to Dr. they should furnish our way to Dr. Office with out any charge.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*the Traffick is so heavy it makes them Nervous.*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*No the FDA. has no right to take away our rights, they should keep there nose out of our Bussines and attend to there own. We are not Communist run yet. but the Government is trying to make the USA Communist*

4. Should I be allowed to purchase hearing aids by mail as I choose?

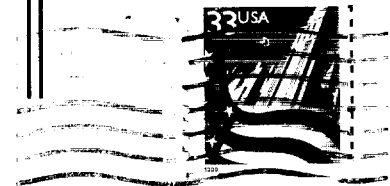

*Yes.*
